SEMESTER IN CHIANG MAI

An immersive experience in the cultural heart of Thailand

For students eager to immerse themselves in Thailand's rich cultural traditions, this semester is centered in the historic city of Chiang Mai—a hub of art, history, and sustainability in Northern Thailand. The program blends academic coursework with hands-on experiences, offering a deep dive into Thai society, history, and arts. Travel outside of Chiang Mai for week-long field studies of villages, mountains and the coast.
